

# Employee Health

Jan. 2016 • Information for Pierce County Medical Providers

Communicable Disease Division  
3629 South D Street, Tacoma, WA 98418  
(253) 798-6410 (phone) • (253) 798-7666 (fax)

## Resources and Websites

### Toolkits and Other Materials Developed by State and National Organizations

#### American Medical Directors Association

[www.amda.com/resources/ltcis.cfm#LTCIMM3](http://www.amda.com/resources/ltcis.cfm#LTCIMM3)

"Immunization in the Long Term Care Setting" contains sample policies and models to help long-term care facilities boost vaccination compliance among residents and staff, as well as guidance for dealing with influenza outbreaks.

#### Association for Professionals in Infection Control and Epidemiology

[www.apic.org/Resources/protect-our-patients](http://www.apic.org/Resources/protect-our-patients)

"Protect Our Patients" features a variety of helpful resource materials that can be used to encourage healthcare institutions to implement or expand their healthcare worker immunization programs.

#### Centers for Disease Control and Prevention

[www.cdc.gov/flu](http://www.cdc.gov/flu)

Information for healthcare professionals on influenza and healthcare provider influenza vaccination, including provider education and educational materials.

#### Healthcare Infection Control Practices Advisory Committee (HICPAC) and Advisory Committee on Immunization Practices (ACIP)

[www.cdc.gov/mmwr/PDF/rr/rr5502.pdf](http://www.cdc.gov/mmwr/PDF/rr/rr5502.pdf)

"Influenza Vaccination of Health-Care Personnel" contains HICPAC and ACIP recommendations urging that all healthcare personnel be vaccinated annually against influenza.

#### Immunization Action Coalition

[www.immunize.org](http://www.immunize.org)

Find camera-ready and copyright-free educational materials for healthcare professionals and the public.

#### Massachusetts Medical Society

[www.massmed.org/Patient-Care/Health-Topics/Colds-and-Flu/Employee-Flu-Immunization-Campaign-Kit](http://www.massmed.org/Patient-Care/Health-Topics/Colds-and-Flu/Employee-Flu-Immunization-Campaign-Kit)

"Employee Flu Immunization Campaign Kit" designed to help hospitals, nursing homes, and other healthcare settings protect staff and patients from influenza by increasing healthcare worker immunization rates. The kit includes facts, worksheets, promotional materials, tips, and step-by-step instructions on how to plan and conduct a successful employee flu immunization campaign.

#### National Foundation for Infectious Diseases

[www.nfid.org/publications/cta/flu-hcp-cta08.pdf](http://www.nfid.org/publications/cta/flu-hcp-cta08.pdf)

"Influenza Immunization among Health Care Workers: Call to Action"

[www.nfid.org/publications/cta/flu-hcp-cta08.pdf](http://www.nfid.org/publications/cta/flu-hcp-cta08.pdf)

"Influenza Vaccines for Healthcare Workers: Keeping Healthcare Workers Healthy"

#### Tacoma-Pierce County Health Department

[www.tpchd.org](http://www.tpchd.org)

Offers link to community influenza vaccination locations, educational materials and hand washing posters.

#### Influenza Vaccination of Health-Care Personnel, 2006

[www.cdc.gov/mmwr/preview/mmwrhtml/rr5502a1.htm](http://www.cdc.gov/mmwr/preview/mmwrhtml/rr5502a1.htm)

#### Guideline for Infection Control in Healthcare Personnel 1998

[www.cdc.gov/hicpac/pdf/InfectControl98.pdf](http://www.cdc.gov/hicpac/pdf/InfectControl98.pdf)
