Stay home. Stay healthy.

What does stay home stay healthy mean?

You must stay home except for:

- Essential supplies and services.
- Authorized jobs and activities.

Why should I stay home?

Staying home is the best way to protect yourself, your family and your community. It helps:

- Keep healthcare facilities open to those who need them.
- Protect people with higher risk of severe illness.

Healthy habits

Continue to practice healthy habits as the state reopens activities.

- Wear a cloth mask or face covering in public.
- Wash your hands often with soap and warm water.
- Keep 6 feet between you and people who don’t live with you.

How long do I need to stay home?

The state is reopening businesses, recreation, gatherings and travel in four phases.

1 2 3 4

Check the current phase and list of authorized activities at: coronavirus.wa.gov/what-you-need-to-know/safe-start

Stay home if you are at higher risk of severe illness.
