

**THURSDAY  
OCT. 18  
6-8 p.m.**

## **TappsWise Natural Yard Care Workshop**

**With Patty Peterson—Master Gardener**

**Thursday, Oct. 18, 2018  
6-8 p.m.**

**Learn how beautiful shoreline plants protect lake water quality!**

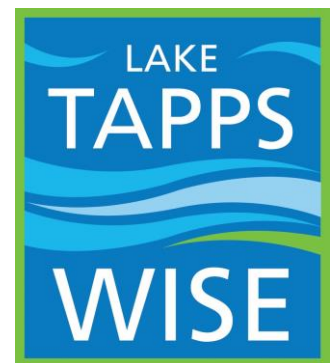

Join your neighbors and learn more about natural yard care and:

- Shoreline plants that keep the lake healthy and keep the geese off.
- Fight weeds and build healthy soil.
- Have a great looking lawn without using chemical fertilizers and pesticides.
- Smart watering techniques that save work and money!
- Enjoy prizes.

Presenter: Patty Peterson—WSU Pierce County Master Gardener
