Get Tested for COVID-19

Protect your health and the health of our community.

Consider getting tested if any of the following apply:

- You have symptoms of COVID-19:
  - Fever or chills.
  - Cough.
  - Shortness of breath, difficulty breathing.
  - Fatigue.
  - Muscle or body aches, headache.
  - Loss of taste or smell.
  - Sore throat.
  - Congestion or runny nose.
  - Nausea or vomiting.
  - Diarrhea.
- If you have been in close contact with a person who has COVID-19.
- If you could not maintain safe physical distance from others at a gathering.
- You are a member of one or more of the following communities—Black, Latinx, Native Hawaiian, Pacific Island, American Indian, Alaska Native.
  - COVID-19 has affected members of these communities more than others.
