Transcript of 2018 Tacoma-Pierce County Health Department Employee Recognition Video

**Graphic:** Who are we?

**Graphic:** Integrity: We show honesty, trust and fairness in words and actions.

**Soundbite:** Katie Lott, Program Manager for Food & Community Safety

“We have a responsibility to share what we know and what we learn so that people can make informed choices.”

**Graphic:** Respect: We value our customers, partners and co-workers.

**Soundbite:** Kaitlynn Forsberg, Administrative Assistant, On-Site Sewage & Well Permitting Program

“Customer service, I love the interaction with my co-workers as well as the public every day.”

**Graphic:** FS: Leadership: We are all leaders, leading from different roles within the agency.

**Soundbite:** Charron Plumer, Program Manager in the Communicable Disease Division

“I’m very passionate about growing our public health workforce of the future.”

**Graphic:** We are public health!

**Soundbite:** Taleema Love, Public Health in the Nurse-Family Partnership Program

“I feel like healthy families reflect a healthy community and so if we can in these small little arenas do the big work, then the community will be sounder for it.”
